APPLICATION PROCEDURE

Applications are to be made through Esse3 system (by logging in with the personal user name and password) and must be saved and closed **no later than 20th December 2017, at noon**. We recommend you to finalize the application a few days before the deadline. For any technical problems or doubts, please refer to the International Activities Staff of the Science and Technology Area (mobility-st@unitn.it)
We recommend you indicate at least 3 destinations.

Please attach to each application the following documents:

1. A **motivation letter** (in Italian or English and in the language used at the host institution);
2. a **certificate of language** knowledge (according to the type and level requested by the partner institution); candidates are invited to check this requirement on the partner university's website;
3. a **reference letter** from an academic advisor of the University of Trento;
4. the **student application form** available in Word format at <http://international.unitn.it/outgoing/open-selection-calls>;
5. the **program of studies form** (*part of the student application form*): attach the list of courses you want to attend abroad and the corresponding syllabi at UniTrento;

In addition, candidates who do not have at least 20 ECTS recorded in the Esse3 system within the deadline for application to the present call, should upload a self-certification of the bachelor's degree including the final mark or the GPA if the final mark is not available.

SELECTIONS

Provided that the application is complete and duly closed, you will be admitted to the interview with an Academic Committee who will evaluate each candidate according to the following criteria:

- GPA (media ponderata) for candidates who have earned and recorded in Esse3 at least 20 ECTS at UniTrento within the deadline for application to the present call; in case of candidates who do not have at least 20 ECTS, the graduation grade of the latest degree achieved (if available) or the GPA of the previous degree will be considered (maximum 30 points).

- Interview (maximum 35 points);
- Study programme (maximum 35 points);

Each applicant will be given a mark. The threshold for eligibility is 75/100.

The oral interview will take place on **9th January 2018 at 9.30 am** at international office of the Department of Civil, Environmental and Mechanical Engineering (first floor) in Via Mesiano, 77 (Trento). **The list of candidates admitted to the oral interview and any changes to the calendar will be published on the website at least two days before the interview:** <http://international.unitn.it/outgoing/open-selection-calls>. Candidates admitted to the oral interview will not be notified by email.

The outcome of the selection will be published on the website within 5 days from the oral interview. Candidates admitted to the programme will also receive a notification by email and they will have to provide an acceptance letter within two days from this notification.

The final decision on admission of the selected candidates is however taken by the hosting Universities.

STUDY GRANT

Acceptance or refusal of the scholarship has to be communicated to the University of Trento within 2 days from the notification.

The grant amount is 2.500,00 (two thousand five hundred) Euro.

Payment will be done within two months from the start of the mobility.

Upon return, students must produce an academic transcript of the examinations taken abroad to the International Mobility Office of UniTrento.

The grant-holder interrupting the stay without serious reasons might be asked to return the money already received.

The grant is meant to be only a contribution to the mobility costs. We recommend to check the costs of living and the economic guarantees needed by the destination university (also for visa purposes).
