

**Public selection for admission to the Two-Year Master's  
Degree in  
Environmental Meteorology**

**Academic year 2019/20**

**DISCLAIMER**

***This English version is intended only as an aid for foreign candidates. The only legally binding version of the call is the Italian one.***

**Timeframes for application submission:**

- a) From November 20, 2018 until 20 February 2019, 12.00 (GMT+1)** for non-EU citizens living abroad and Italian, EU-citizens and non-EU citizens regularly living in Italy at the time of application
- b) From March 04, 2019 until 28 June 2019, 12.00 (GMT+1)** only for Italian citizens, EU-citizens and non-EU citizens already living in Italy

Online application: <https://webapps.unitn.it/Apply/en/Web/Home/master>

### Art. 1 Public Selection

1. The University of Trento in cooperation with the University of Innsbruck, announces a public competition for the admission to the MSc Programme in Environmental Meteorology for the academic year 2019/2020.
2. Candidates will be selected on the basis of their documented qualification.
3. Admission is limited to a maximum of **30 positions**, up to **5** of which will be **reserved to non EU candidates** living outside Italy. In case of insufficient number or possible withdrawals at the end of the first selection process, potential vacancies will be made available to applicants in the second selection.
4. The official language of the MSc programme is English.

### Art. 2 Admission Requirements

1. Applications are accepted to the selection process from:
  - a) citizens of non-EU countries living abroad
  - b) Italian citizens, citizens of the EU countries and non-EU citizens already living in Italy

who satisfy the following requirements:

- i. hold at least a bachelor's or higher degree awarded in Italy or other qualification recognised as equivalent awarded abroad; undergraduate candidates are also accepted, provided they will obtain their bachelor's degree:
  - **before 30 June 2019** for non-EU citizens living abroad;
  - **before 31 October 2019** for Italian, EU-citizens or non-EU citizens living in Italy;
- ii. have good knowledge of the English language, at least at the B2 level of the Common European Framework of Reference for Languages. Certificates responding to the criteria indicated by the University's Language Centre (CLA) and listed on the following page are automatically recognized: <https://www.cla.unitn.it/en/780/certificates-do-you-have-a-certificate>. The selection committee may also consider certificates not responding to these criteria and evaluate their eligibility;  
Certification is not required for applicants who can prove one the following conditions:
  - have been awarded a Bachelor or a Master degree under a programme whose courses were entirely taught in English;
  - are native speakers of English;
  - have passed a language examination at the required level during the previous university career, provided all four abilities (reading, writing, speaking and listening) have been tested;

- iii. have passed exams in the academic disciplines as indicated in the Table below, if holding a Bachelor degree from an Italian University:

<b>Academic disciplines</b>	<b>Minimum ECTS required for the whole area</b>
<p><b>Area of Mathematics and Statistics:</b>            MAT/01 - MATHEMATICAL LOGIC            MAT/02 - ALGEBRA            MAT/03 – GEOMETRY            MAT/04 - MATHEMATICS EDUCATION AND HISTORY OF MATHEMATICS            MAT/05 - MATHEMATICAL ANALYSIS            MAT/06 - PROBABILITY AND STATISTICS            MAT/07 - MATHEMATICAL PHYSICS            MAT/08 - NUMERICAL ANALYSIS            MAT/09 - OPERATIONS RESEARCH</p>	<b>24</b>
<p><b>Area of Theoretical Physics, Applied Physics and Geophysics</b>            FIS/01 – EXPERIMENTAL PHYSICS            FIS/02 – THEORETICAL PHYSICS, MATHEMATICAL MODELS AND METHODS            FIS/03 – PHYSICS OF MATTER            FIS/04 – NUCLEAR AND SUBNUCLEAR PHYSICS            FIS/05 – ASTRONOMY AND ASTROPHYSICS            FIS/06 – PHYSICS OF THE EARTH AND OF THE CIRCUMTERRESTRIAL MEDIUM            FIS/07 – APPLIED PHYSICS            FIS/08 – PHYSICS TEACHING AND HISTORY OF PHYSICS            GEO/10 –SOLID EARTH GEOPHYSICS            GEO/11 – APPLIED GEOPHYSICS            GEO/12 – OCEANOGRAPHY AND PHYSICS OF THE ATMOSPHERE            ICAR/01- HYDRAULICS            ICAR/02 – HYDRAULIC STRUCTURES, MARITIME ENGINEERING AND HYDROLOGY            ING-IND/06 - FLUID DYNAMICS            ING-IND/10 - THERMAL ENGINEERING AND INDUSTRIAL ENERGY SYSTEMS            ING-IND/11 - BUILDING PHYSICS AND BUILDING ENERGY SYSTEMS            ING-IND/12 - MECHANICAL AND THERMAL MEASUREMENTS            ING-INF/02 - ELECTROMAGNETIC FIELDS</p>	<b>24</b>
<p><b>Area of Chemistry</b>            CHIM/01 - ANALYTICAL CHEMISTRY            CHIM/02 - PHYSICAL CHEMISTRY            CHIM/03 - GENERAL AND INORGANIC CHEMISTRY            CHIM/06 - ORGANIC CHEMISTRY            CHIM/07 CHEMICAL FOUNDATIONS OF TECHNOLOGIES            CHIM/12 - CHEMISTRY FOR THE ENVIRONMENT AND FOR CULTURAL HERITAGE</p>	<b>6</b>

For candidates holding a Bachelor degree from a non Italian University, the possession of the equivalent requirements will be evaluated by the Committee.

2. Candidates must satisfy the language requirement as well as the curricular requirements within the date of the enrollment.

### **Art. 3 Application procedures and submission dates**

1. Candidates must complete and submit the online application form available at <https://webapps.unitn.it/Apply/en/Web/Home/master> according to the procedures indicated below:
2. Submission of applications is divided into two sessions, according to the following timeframes:
  - a. **between 20 November 2018 and 20 February 2019 at 12.00 noon (GMT+1)** for non-EU citizens living abroad, Italian, EU-citizens and non-EU citizens living in Italy;
  - b. **between 04 March 2019 and 28 June 2019 at 12.00 noon (GMT+1)** only for Italian, EU-citizens and non-EU citizens living in Italy;

In case of technical problems related to the on line application, candidates must immediately send an email to [mastermeteo@unitn.it](mailto:mastermeteo@unitn.it) before the deadline for application. Failing to comply with the deadlines will result in the exclusion of the candidate from the competition.

3. To complete the online application correctly, candidates must upload the following documents:
  - a. a copy of a valid passport (photo and personal data only) or ID card
  - b. a copy of a degree certificate or the certificate of enrollment including the expected graduation date<sup>1</sup> (an official translation of the degree certificate is required when the original document is not produced in either English or Italian)
  - c. Academic Transcript indicating credits and marks achieved in each subject and GPA. Information on the grading scale must be also provided. Applications without this grading scale will not be considered (an official translation of the transcript of records is required when the original document is not produced in either English or Italian)
  - d. English Language proficiency certifications or self-declaration as indicated at art. 2.1 of this call.
4. Candidates are required to pay a non-refundable application fee of € 15.00 within the deadline for applications (within **20 February 2019** for all categories participating in the first session: Non-EU candidates living outside Italy, Italian, EU and non EU Citizens living in Italy and within **28 June 2019** for Italian, EU and non EU Citizens living in Italy participating in the second session) following the instructions given in the online application. Applicants failing to pay the application fee within the given deadline will be automatically excluded from the selection procedure.

---

<sup>1</sup> Italian students or students enrolled in an Italian University may submit a self-declaration according to DPR 445/2000

#### Art. 4 Selection and Ranking list

1. The Selection Committee is appointed by the Rector and will be composed of at least three members chosen among the Professors of the University of Trento and the University of Innsbruck. Each university will contribute at least one of the members.
2. The Selection Committee will evaluate the eligible applications based on the assessment of qualifications listed in article 2 of this call.
3. Candidates are awarded a total score out of 100 as follows:

<b>Curriculum studiorum</b>  Evaluation of the first level education (i.e. Grade Point Average and class qualification, professional experience and educational background) and coherence with the MSc learning objectives.	<b>0-60</b>
<b>Language certifications</b>  Only certifications proving a higher-level than the minimum required for admission (B2 CEFR level) will be evaluated here.	<b>0-10</b>
<b>Interview</b>  The Candidate will be invited to meet the Committee in person. Only for motivated reasons, to be assessed by the Committee, the Candidate may be allowed to be interviewed by remote connection.  The interview aims at ascertain the personal skills and background of the student with respect to the MSc learning objectives.	<b>0-30</b>
<b>Total score</b>	<b>0-100</b>

4. Candidates will be notified via e-mail about the time and date of their interview at least 3 days in advance.
5. Only Candidates scoring **at least 50 points** will be declared eligible for the programme and ranked accordingly.
6. In case of candidates having the same score, priority will be given to the youngest applicant.
7. At the end of the evaluation process, two separate shortlists of the selected applicants will be published on this page: <https://international.unitn.it/environmental-meteorology/selection-process>

### Art. 5 Admission and enrolment

1. Selected applicants must pay an Enrolment confirmation fee of € 100.00 (one hundred euro) within 7 days from the publication of the shortlist to confirm their acceptance of the place. Reimbursement for this payment is not allowed under any circumstances.  
Candidates are also requested to send an email to [mastermeteo@unitn.it](mailto:mastermeteo@unitn.it) to confirm the acceptance of the place and the enrolment fee payment.
2. Successful candidates who fail to comply with the requirements listed above will be considered as having renounced their position. Candidates who do not intend to accept the position are required to notify their decision as soon as possible by sending an e-mail to [mastermeteo@unitn.it](mailto:mastermeteo@unitn.it).
3. Should any positions become available, either as a result of failure to enroll by successful candidates or for any other reason, the Committee reserves the right to invite other eligible candidates from the ranking list to enroll on the first year of the Master's degree course in Environmental Meteorology, up to the number of places available
4. All non-EU citizens living outside Italy who confirm the position and pay the admission confirmation fee must pre-enroll at the Italian diplomatic representation in their own country, within the dates set by regulations concerning admission of foreign students to university courses established by the Italian Ministry of Education, University and Research<sup>2</sup> and posted at <http://www.studiare-in-italia.it/studentistranieri/>. Pre-enrolment is mandatory in order to obtain a visa. All candidates are advised to read the procedures that must be followed at: <http://international.unitn.it/incoming/two-year-master-english-non-eu-outside-italy>.
5. Enrolment deadlines and procedures will be available on the UniTrento website after the ranking list publication.
6. Admitted candidates will have to enroll **within 31 October 2019**.

### Art. 6 Tuition fees for non-EU citizens living abroad

1. The maximum tuition fees for non-EU citizens resident abroad (and not included in the categories listed in article 26 of Law no. 189/2002) is € 10,000 per academic year; further details are available at: <http://international.unitn.it/incoming/tuition-fees>.
2. For first-year students, the amount of the tuition fees can be reduced on the basis of the application score as follows:

Tuition Fees Amount	Application score
Exemption from paying tuition fees	Application score between 90/100 and 100/100
€ 1.000	Application score between 70/100 and 89/100

<sup>2</sup> The dates are published approximately in the month of February

€ 3.000	Application score between 60/100 and 69/100
€ 6.500	Application score between 50/100 and 59/100

- Candidates with an application score between 90/100 and 100/100 will be exempted from paying tuition fees. Top scored candidates will be entitled to receive a scholarship. Scholarships will be assigned when the shortlist will be published. Further information on scholarships can be found at: <https://international.unitn.it/node/41/>

### **Art. 7 Tuition fees for EU and non-EU citizens living in Italy**

- The amount of tuition fees for Italian, EU citizens and non EU-citizens living in Italy is published at the following link: <http://infostudenti.unitn.it/en/tuition-fees>. Tuition fees can be partially or totally waived according to the economic situation of the student's family, evaluated by the specific indicator (ISEE).

### **Art. 8 Transfer from another study course or university**

- Candidates may apply for credit transfer and admission to the second year of the master's degree in Environmental Meteorology provided they pass the selection procedure. Students can be admitted to the II year in case of available places and only if at least 21 ECTS from a previous career at master of science level can be recognised.
- The "Academic credit transfer pre-evaluation" form (published at <https://international.unitn.it/environmental-meteorology/application>) must be sent to [masteremeteo@unitn.it](mailto:masteremeteo@unitn.it) by May 15, 2019.
- UniTrento will inform candidates about the evaluation results by June 7, 2019. Students who have successfully completed the selection procedure but do not meet the requirements to be admitted to the second year will be admitted to the first year of the master's degree in Environmental Meteorology.

### **Art. 9 Further Information**

- Information concerning ministerial pre-enrolment procedures and academic documentation required for non-EU citizens resident abroad is available at: <https://international.unitn.it/node/167/>
- Information concerning the study documentation required for EU citizens with degrees awarded in EU countries other than Italy is available at: <https://international.unitn.it/node/470>
- Information concerning ministerial pre-enrolment procedures and study documentation required for non- EU living in Italy are available at: <https://international.unitn.it/node/171>
- Information about the cost of living in Trento is available at: <https://international.unitn.it/node/49>

### **Art. 10 Data Protection**

1. Personal data will be processed according to the GDPR and to the D.Lgs. 101/2018.
