## PsyHuman Summer School 2021 - Info Kit

### When and Where

**Calendar:** Activities start on **Monday, 5 July at 9:00 am** and finish on **Friday, 16 July around 6:00 pm.**

**Location:** Department of Psychological and Cognitive Science, Fedrigotti Building, Corso Bettini 31, Rovereto.

Classes will take place either outdoors in the beautiful garden adjacent to the Fedrigotti Building, or inside (conference room 1st floor, or multi-media room ground floor, new block). Some activities (cultural visits and excursions) will take place outside UniTrento spaces according to the program published on the [PsyHuman webpage](#). All planned activities are part of the program and attendance is compulsory.

### Anti-COVID Requirements and Measures

In order to participate in the School, **over the weekend prior to arrival**, you must provide proof of one of the below:

1. a negative COVID swab test taken within 48 hours prior to entering Italy
2. application of the required full dose(s) of an anti-COVID vaccine authorized by the European Union
3. certified recovery after having contracted COVID (no more than 6 months ago).

Please send a scan of the official certification of one of the above to [international@unitn.it](mailto:international@unitn.it) and bring the original document with you to the Summer School, especially because it may be required for travel.

**Accepted languages:** English, French, German, Italian, Portuguese, and Spanish.

Additional policies and measures may be required by your home country or Italian regulations that are continuously updated and can be found on the [Italian Foreign Ministry’s website](#). Please carefully read the security measures adopted by UniTrento and future updates.

Your check-ins and check-outs in the building are daily tracked through [UniTrento App](#) (for Android and iOS and available on Google Play and on App Store) that you are required to download as soon as you have your full [UniTrento credentials](#).

### Insurance Coverage

Make sure you have **health insurance** coverage valid in Italy for the entire period of your stay.

**If you live in the EU** and you have a valid **European Health Insurance Card**, please refer to this [webpage](#).

**Otherwise,** you will need to buy a private health insurance policy, which covers emergencies and guarantees your return to your country in case of serious health problems, including COVID-related hospitalization and treatment. Among the several choices to consider, you can have a look at [Aon Complete Formula](#) which also covers accidents outside academic activities. During all activities organized by UniTrento you are covered by **UniTrento accident insurance** (only in case of hospitalization due to an accident) and by **third party liability** (in case of damages you may cause to third parties). Please notice that these are **not** personal health insurance policies!

### Travel Plans

You are required to pay for and organize all travel from your place of residence to Rovereto and back on your own. There is **not** a designated student pick-up service in Rovereto. The **Verona-Catullo airport** is the closest airport to Rovereto (20 minutes by shuttle + 1 hour by train), but there are also airports in Milan, Bergamo and Venice. All details and shuttle connections to the closest train station can be found on this [webpage](#). Alternatively, [FLIXBUS](#) is a cheap way of travelling from...

<thead>
<tr>
<th>Accommodation</th>
<th>As previously mentioned, you are responsible for booking and covering the entire cost of your own lodging in Rovereto for the duration of the Summer School. Check-in should be on Sunday, 4 July 2021 and check-out on Saturday, 17 July 2021. Please make sure you clearly understand the payment, cancellation and anti-COVID policies in place when you book your room. When you check in, be sure to ask for the Trentino Guest Card which gives you free access to some museums, all public transportation within the Province of Trento and discounts at participating vendors. This Card is welcome (if you have it) for the workshop on 7/07 at the Contemporary Art Museum (MART). UniTrento will cover the entrance tickets to the museum for those of you who might not have it.</th>

<tr>
<td>Meals</td>
<td>Lunch breaks are normally 90 minutes to give you time to eat lunch and rest. You will receive meal vouchers for lunches from Monday to Friday for the Gilda restaurant (Via Prati, 3/b on the corner of Via Matteo del Ben). This cost will be covered by UniTrento. You can have either a “full” or “partial” meal and make sure the cashier takes notice of which one you choose. The full meal consists of main and second dish, dessert, coffee and water, while the partial meal consists of a main or second dish, coffee and water. Dinners are to be picked up for take away from a different location between 6:30 pm and 7:00 pm. upon reservation by 11:00 am of the same morning. Further details will be given upon arrival.</td>
</tr>
<tr>
<td>Weather and What to Bring</td>
<td>The weather in Trento during the Summer is usually sunny and quite warm (up to 35°C). However, it can also be rainy at times with afternoon storms, so a rain jacket and waterproof shoes are recommended. There will also be two excursions in the mountains with walks on trails, so we also suggest that you bring a small backpack, long pants, a fleece jacket or sweater, a small picnic blanket or towel, a hat, sunscreen and sunglasses. For personal use during the Summer School, you are also required to bring sanitizing hand gel and a package of surgical or PPF2 face-masks (no handmade or simple cloth masks). Since some classes will take place outside in the garden of the Fedrigotti Building, we recommend that you bring a power bank for your laptop computer. Wi-fi is available in Fedrigotti Building using your UniTrento full user credentials.</td>
</tr>
<tr>
<td>ECTS Credits</td>
<td>At the end of the Summer School, all participants will receive an Attendance Certificate and external students will also receive an official UniTrento Transcript of Records with 6 ECTS. In order to obtain 2 more ECTS (8 ECTS total) and an evaluation mark, external students must choose a topic and have it approved by the Academic Coordinator during the Summer School. After returning home, candidates must write a research paper on the topic and send it to the Academic Coordinator by 30 September 2021. By the end of the 1st week you will be asked to confirm your interest in the 2 extra ECTS that some of you have indicated.</td>
