General Liability / Employees liability Pag. 4
Public Administration liability Pag. 6
Property All risks Pag. 8
Personal Accident Pag. 10
Vehicle Full Comprehensive Insurance Pag. 12
Legal expenses Pag. 14
Vehicle fleet insurance Pag. 16
This summary is for information purposes only and should not be considered as a binding analysis of existing policies, which remain the only valid and official document for insurance; this is because it is impossible, in a study that must necessarily be brief, to report all the clauses that constitute an insurance contract.

In the event of complaints or doubts regarding the interpretation of the policies, the originals will prevail as only binding documents.

• Motor and aviation liability;
• possession or use of radioactive substances or devices for the acceleration of atomic particles; however, cover includes liability deriving from the existence and use by authorized persons only of X-ray and Gamma rays or other emissions devices, other equipment such as Tac, Pet, Rmn, MEG-Magnetoencephalography, particle accelerators and cyclotrons, metal detectors, sterilizers, etc. used for research, experimentation purposes only;
• EMF Electro Magnetic Fields
• Theft;
• Pollution of any nature or by any cause determined a part from accidental pollution (see sublimit in above schedule);
• directly or indirectly caused by war, invasion, acts of foreign enemies, hostility (whether war is declared or not declared), civil war, rebellion, revolution, insurrection or military action;
• Directly or indirectly caused by any act of terrorism;
• Any financial loss not deriving from damage to people or to objects;
• Deriving from the property and use of explosives;
• Of any nature regarding asbestos.
Public Administration Liability Policy

Assured: Università degli Studi di Trento

Policy: n° F1900010731-LB

Insurance Period: from the 1st of July 2019 to the 30th of June 2020 both days included

Security: Lloyd's Insurance Company SA

Insured Risk: Public administration liability
Liability arising from losses caused by the assured to third parties as a consequence of errors and omissions in the accomplishment of his institutional tasks and those, delegated, or transferred, including complementary and subsidiary services. This is without prejudice to the right to exercise, if the conditions provided for by the law exist:
1. the action of the assured pursuant to art. 22 paragraph 2 of the T. U. 3/1957, "and other provisions and regulations operating in the context of the Public Administration;
2. the right of subrogation of the Insurers pursuant to art. 1916 of the Civil Code, towards the responsible of the loss subjects.

Insurance coverage, also pursuant to law 244/2007, art. 3, paragraph 59 (so-called, 2008 Budget law) does not cover the consequences of the Administrative Responsibility and the Administrative-Accounting Responsibility of Employees and Directors.

Form of insurance: Claims Made with unlimited retroactivity and 5 year extension after expiry
The insurance is valid for claims received for the first time by the insured during the policy validity and / or within 5 years from the expiry of the insurance regardless of the date of occurrence.

Situation: Europe

Limits: Euro 5.000.000 each and every loss
Euro 10.000.000 in the annual aggregate
Euro 10.000.000 for the 5 years after expiry extension notwithstanding the € 5.000.000 each loss limit

Deductible: Euro 5.000 each and every loss

Sub-limits: Euro 250.000 for extension art. B.5 losses arising from employment and employees management.

Main exclusions
• deriving from willful misconduct of Directors and Employees, ascertained with the definitive provision of the competent Authority;
• from pollution;
• consequent to the possession and use of radioactive substances and in any case connected with phenomena of transmutation of the nucleus of the atom or with radiation caused by the artificial acceleration of atomic particles;
• Motor and aviation liability
• connected or resulting from personal injury, death and damage to property, except from what specified in the Art. B.8 extension;
• connected or consequent of the purchase or non purchase and/or modification of insurances including the missed and/or late payment of insurance premiums;
• deriving from activities performed by Employees / Directors of the Assured, as members of the Board of Directors or Board of Statutory Auditors, of other Public Entities and/or Companies or private Entities, except when representing the University of Trento.

Insurance also excludes:

• Claims of which the Insured has already received formal information, prior to the date of stipulation of this contract;
• losses arising from toxic substances of any type, including: asbestos / asbestos, fungi, mold, mycotoxins, spores or any biological vapor
• any claim directly or indirectly resulting from the practice of the medical or paramedical profession;
• fines imposed on the assured.

Vehicle kilometric comprehensive insurance

Assured: Università degli Studi di Trento
Policy: n° F1900010738-LB
Insurance period: from the 1st of July 2019 to the 30th of June 2020 both days included
Security: Lloyd’s Insurance Company SA

Risk:
Given that the insured vehicles are those owned and/or in use (even if belonging to family members and/or third parties) to persons authorized by the Assured and used for business trips and/or missions and/or for service obligations outside the office, as well as during the journeys connected with the provision of the availability service, limited to the time necessary for the execution of the missions or the provision of the service during circulation, parking and/or hospitalization of the same in both public and private areas, insurance is provided for material and direct damages suffered by the vehicles themselves, even if deriving from gross negligence of the Insured, as a consequence of:
- fire, fuel explosion, lightning;
- total or partial theft, robbery and extortion, including damage caused to the vehicle in the execution or attempted theft or robbery or extortion;
- overturning, crashes, collision with other vehicles, people and/or animals, collision with obstacles, which occurred during circulation;
- active and/or passive towing, as well as pushing or hand maneuvers provided they are necessary to clear the roadway or transport the vehicle to a repair shop or deposit following an insured claim;
- riots, strikes, demonstrations, acts of terrorism, sabotage and vandalism.
- tornados, storms, hurricanes, hail, floods, landslides, landslides and avalanches, earthquakes, snow fall, and similar atmospheric or natural phenomena.
- fall of aircraft, flying elements, including non-piloted elements, their parts and objects transported by them, as well as meteorites.

Insurance includes:
- the costs incurred to replace the window plates of the insured vehicle following their breakage by any means occurred;
- The material and direct damages suffered by the things transported by the vehicles, even if deriving from gross negligence of the Insured or the Driver of the insured vehicle, during circulation and parking
- costs relating to towing to the nearest workshop in the event of an indemnifiable claim.

Assured sum for vehicle: The vehicles commercial value with a maximum of Euro 35,000,00

</table>
Territorial limits: Italy, Vatican City, San Marino and countries for which the “Green card” is compulsory.

Principal exclusions:

- war acts, insurrection, military occupation, invasion, measures of any government or Authority.
- explosions or heat emanations or radiation caused by transmutation of the nucleus of the atom, as well as by radiation caused by the artificial acceleration of atomic particles.
- Malicious acts of the Policyholder and the Insured;
- deriving from the participation of the vehicle in competitions or related tests and trainings;
- occurred when the vehicle is driven by a non-licensed person;
- damage to the wheels (rims, tires and inner tubes) if they occur not in conjunction with other indemnifiable damage in terms of the policy.
- driving in a state of intoxication or psychic alteration caused by the use of drugs or alcohol over the law limits;
Legal expenses policy

Assured: Università degli Studi di Trento

Policy: n° 91/M13352423

Period: from the 1st of July 2019 to the 30th of June 2020 both days included

Security: ITAS MUTUA

Insured Risk: Expenses that the Assured must bear on behalf of the insureds for the protection of their rights and interests in cases of disputes relating facts directly related to the performance of their duties and / or institutional functions (criminal defense for non intentional crimes, fines, defense expenses for intentional crimes and / or willful misconduct crimes if the intentional crime is declassified to a non intentional crime hypothesis, a definitive sentence of acquittal, acquittal or filing for groundlessness of the news of the crime occurs, Administrative-accounting responsibility, subject to actual acquittal, passive legal assistance - resistance costs in proceedings for civil liability judgments only in the presence of a valid Liability or product liability insurance)

The insurance is provided directly to the Contracting Body and / or the Insured indicated in the policy which request legal aid against the Body, for the costs of defense, assistance, patronage and expertise, both out and in court, for each degree of judgment, including those liquidated by the Judge in favor of the counterparty in case of loss.

Additional guarantees:
- Active legal assistance (to the assured)
- Legal assistance in mediation cases (to the assured)

Insured Subjects: Assured, Rector, Pro-Rector, General Manager, All members of the supervisory bodies, all Employees / Executives, all those persons for whom the University has legal aid obligations.

Insurance form: Claims Made with 2 years retro activity and 1 year ultra activity.

the insurance is valid for claims reported for the first time by the insured during the insurance period and / or within 1 year from the expiry of the policy, regarding violations of laws or contractual breach that occurred not earlier than two years from the beginning of the policy.

Territorial validity: Europe.

Deductibles: None.

Limits: Euro 50.000,00 for each insured
Euro 50.000,00 for each event that involves more than one insured
Euro 150.000,00 in the annual aggregate

Main exclusions:
- If the Claim derives from the Insured's intentional acts except where expressly included;
- The Claim derives from misconduct of the insured qualified in court and ascertained as gross negligence;
- The crime is extinguished by amnesty or canceled by pardon; the so-called plea bargaining is also excluded (definition of the judgment with the application of the penalty at the request of the parties)
• The Claim is related to a conflict / dispute between the Insured/s and the Policyholder;
• The claim derives from contractual or tax disputes;
• The Loss arises in relation to events resulting from acts of war, military occupation, invasion, insurrection, popular riots, terrorism and organized sabotage;
• The Claim derives from a fact not directly related to the service, institutional functions and / or duties of the insured;
• The Claim is already known to the Insured prior to the date of stipulation of this contract;
