Public selection for admission to the Master’s Degree in

Artificial Intelligence Systems

LM - 32

Academic year 2020/2021
(English translation)

The only binding version is the Italian one.

**Deadline:** From 10 April 2020 until 24 June 2020, 12.00 (GMT+1) for EU citizens and non-EU citizens living in Italy

Online application: [http://www5.unitn.it/Apply/en/Web/Home/master](http://www5.unitn.it/Apply/en/Web/Home/master)
Art. 1 Public Selection

1. The University of Trento announces a public selection based on qualifications and (if appropriate) interview, in order to select students for admission to the first year of the Master's Degree in Artificial Intelligence Systems (LM-32) for the academic year 2020/2021. Entry is restricted **80 places**, reserved to EU nationals and non-EU nationals living in Italy. This figure includes 10 places reserved to non-EU citizens living abroad, who were selected as a result of Call 127-RET issued on 4 February 2020 and closed on 12 March 2020. Any places remaining from the selection of non-EU nationals living abroad will be awarded to Italian, EU and non-EU nationals living in Italy.

2. The Master’s Degree is an interdisciplinary course and provides teaching in the fields of computer science engineering.

3. The official language of the course is English. In order to be activated the master course must receive the approval from the Italian Minister for Education.

Art. 2 Admission Requirements

1. Applications are accepted from EU citizens and non-EU citizens living in Italy who satisfy the following requirements:
   
i. a bachelor’s or higher degree awarded in Italy or other qualification recognized as equivalent awarded abroad¹ in:
   - Information Engineering — L-8
   - Industrial Engineering - L-9
   - Computer Science L-31
   and to have completed in their first-level degree at least 12 credits in the sectors INF/01 or ING-INF/05;

   ii. or to hold a first-level university degree in other classes of related disciplines which include at least 36 CFU in 6 credits in CHIM/03, CHIM/06-07, FIS/01-03, MAT/01-09* OR SECS-S/01 and at least 12 credits in the sectors INF/01 or ING-INF/05.

   iii. good knowledge of the English language, at least B1 level of the Common European Framework of Reference for Languages attested as follows:
      - English Language qualification awarded from an internationally-recognized entity²:
      - or English Language qualification awarded from a certificatory entity or a university institute;
      - or declaration issued by the university where the Bachelor’s or Master’s degree was awarded, proving that the degree was entirely taught in English;

¹ A degree or qualification awarded abroad is considered suitable if the Commission evaluates that the study plan conducted abroad meets the prerequisites expressed in the Course regulations.
or declaring in the on-line application to be a citizen of an English-speaking country.

iv. undergraduate candidates are also accepted providing that they will obtain their bachelor’s degree before 31 October 2020.

v. applications are also accepted from candidates who do not own yet an internationally recognized B2 level English language certificate or have not passed yet a B2 level English language exam at their University before the Call deadline. These candidates will have to provide the certificate before matriculating to the University.

Art. 3 Application procedures and submission dates

1. Candidates seeking admission to the selection process must complete the online application form at https://webapps.unitn.it/Apply/en/Web/Home/master according to the following procedures.

2. On line applications must be sent from 10 April 2020 to 24 June 2020, 12.00 (GMT +1).

3. Technical problems in filling out the online application must be immediately communicated by email to masterais@unitn.it. Applications submitted after the application deadline and/or in different ways than those expressed in comma 1 of the present article will not be accepted.

4. To complete the online application correctly, candidates must upload the following documents:
   a. a copy of passport (only pages relating to personal information) or identity card (EU citizens only);
   b. copy of bachelor’s degree certificate or registration certificate attesting the expected graduation date (attach an official translation if this document is not in Italian or English);
   c. transcript including courses, exams and marks awarded. The transcript must include: the list of exams for the qualification to be awarded, marks obtained, the weighted average mark and the minimum to maximum range of marks (attach an official translation if this document is not in Italian or English);
   d. curriculum vitae in English following the ‘European’ model (see http://europass.cedefop.europa.eu/);
   e. English Language qualification, as per art. 2 comma 1 point iii;
   f. statement of purpose (max 500 words) - brief personal statement in English in which the candidate supports her/his application.

Candidates are required to pay an application fee of €15.00, using one of the methods requested during the online application process, within the given deadline for applications (24 June 2020). Failing to pay the application fee within the given deadline will automatically lead to the exclusion of the applicant.

Art. 4 Selection and ranking

1. The admissions Committee is made up of at least three members chosen from among the teaching staff nominated via Rectoral Decree.
2. The admission Committee will evaluate whether the selection procedures have been correctly observed, and will subsequently evaluate if the admissible candidates fulfil the entry requirements set out in the regulations governing the Master’s Degree course in Artificial Intelligence Systems. The Committee may choose to meet via video conference.

3. The evaluation is carried out by allocating points (max. 100) in accordance with the following criteria:
   a. Coherence between the candidate’s previous studies and the objectives of the Master’s Degree in Artificial Intelligence Systems (max. 40 points);
   b. Curriculum studiorum (max. 50 points);
   c. Statement of purpose and reference letters (max. 5 points)
   d. Further language competences (max. 5 points).
   In case the documents included in the online application do not allow the Commission to adequately evaluate the candidature, the candidate might be asked to send further documentation and/or to participate in an interview (in person or via Skype/Webex).

4. Candidates awarded a score of **50/100 or more** will be considered suitable.

5. In the event that two or more candidates obtain the same score in the ranking list, preference will be given to the youngest.

6. On completing the evaluation process, the admissions committee will place the candidates found suitable a short list which will be published at https://international.unitn.it/ict/results-and-pre-enrollment-procedures.

**Art. 5 Admission and enrolment**

1. Suitable candidates who have passed the selection procedure will have to confirm their acceptance of the place.

2. Successful candidates who fail to complete the steps set out in the point above shall be considered as having renounced their place. Candidates who intend to renounce their place for whatever reason are required to notify the committee as soon as possible, by e-mail to masterais@unitn.it

3. Should any places become available, either as a result of failure to matriculate on the part of successful candidates or for any other reasons, these will be awarded to the next suitable candidate in the ranking list.

4. Information about how and when to enroll in the Master’s Degree in Artificial Intelligence Systems will be available on the website after publication of the ranking list.

**Art. 6 Tuition fees for EU citizens and non-EU citizens living in Italy**

1. The amount of tuition fees for Italian, EU citizens and non EU-citizens living in Italy is published at the following link: http://infostudenti.unitn.it/en/tuition-fees. The amount can be partially or totally reduced according to the economic situation of the student’s family (ISEE).
Art. 7 Data Protection

1. Under article 13 of Regulation EU 2016/679, the "General Data Protection Regulation" (GDPR), the University of Trento shall process personal data exclusively to the extent that it is necessary in the performance of its institutional tasks within the present selection procedure (point (e), article 6(1) of the GDPR).

2. The data controller is the University of Trento, via Calepina 14, 38122 Trento, email: ateneo@pec.unitn.it; ateneo@unitn.it. The contact details of the data protection officer (DPO) are as follows: Fiorenzo Tomaselli, via Verdi n. 8, 38122 Trento, email: rpd@unitn.it.

3. The processing of personal data shall be carried out manually and/or by automated means exclusively by staff of University, acting on instructions concerning purposes and arrangements of such processing. Personal data shall be processed lawfully, fairly and transparently, in a manner that is adequate, relevant and limited to what is necessary in relation to the purposes for which they are processed.

4. The personal data will not be transferred to non-EU countries.

5. The personal data are necessary to carry out the procedure. Failure to provide such data will result in disqualification from the procedure.

6. The personal data are stored for as long as they are necessary to carry out the procedure and to comply with all legal requirements.

7. The data subject shall exercise the rights referred to in article 15 et seq. of the GDPR and, in particular, the right of access to and rectification, erasure or completion of personal data, restriction of processing of personal data concerning the data subject or the right to object to processing. The data subject shall maintain the right to lodge a complaint with the Italian data protection authority by virtue of article 77 of the GDPR.
