• or a bachelor degree in the field of Civil-Environmental Engineering different from the above, or other qualification recognized as equivalent, awarded abroad\(^1\); eligibility of the academic title will be evaluated by the selection committee established as per art. 4 of the present call and will be based on the candidate’s curriculum studiorum.

ii. For graduates with a degree obtained according to DM 270/04 or DM 509/99, an average mark weighted on credits not lower than 22.00/30.

iii. Non-EU candidates living abroad who do not hold the degree at the time of application may apply provided they obtain their bachelor’s degree before 30 June 2022.

iv. Good knowledge of the English language, at least B2 level of the Common European Framework of Reference for Languages attested as follows:

• English Language qualification awarded from an internationally-recognized entity\(^2\);
• or having passed the B2 English language exam or higher in another University, provided all four linguistic abilities were tested;

• or declaration emitted from the university where the Bachelor’s or Master’s degree was achieved, proving the degree had been officially taught in English;

• or declaring in the on-line application to be a citizen of an English-speaking country;

v. Adequate academic background and professional experiences.

Art. 3 Application procedures and submission dates

1. Candidates seeking admission to the selection process must complete the online application form at the Application webpage according to the following procedures.

2. Submission of applications must be made according to the following deadlines: from 15 December 2021 to 4 March 2022 at 12.00 (UTC+1).

3. Technical problems in filling out the online application must be immediately communicated by email to master-st@unitn.it. Applications submitted after the application deadline and/or in different ways than those expressed in clause 1 of the present article will not be accepted.

4. To complete the online application correctly, candidates must upload the following documents:
   a. a copy of valid passport (only pages relating to personal information);
   b. copy of bachelor’s degree certificate, if already awarded (attach an official translation if this document is not in Italian or English);
   c. transcript of records including a list of all courses, exams and marks awarded (attach an official translation if this document is not in Italian or English). The transcript must include: the list of exams for the qualification to be awarded, marks obtained, the weighted average mark and the

5. Candidates are required to pay an application fee of €15.00, using one of the methods requested during the online application process within the given deadline for applications (04 March, 2022). Failing to pay the application fee within the given deadline will automatically lead to the exclusion of the applicant.

Art. 4 Selection and ranking

1. The Admissions Committee is made up of at least three members chosen from among the teaching staff of the Department of Civil, Environmental and Mechanical Engineering nominated via Rectoral Decree. The Committee may choose to meet via video conference.

2. The Admissions Committee will evaluate whether the selection procedures have been correctly observed, and will subsequently evaluate if the admissible candidates fulfil the entry requirements and have adequate personal competencies.

In case of a degree obtained in Italy according to DM 509/99 or DM 270/2004, the Committee will evaluate the weighted average of marks obtained in the bachelor's degree as follows:

- if the average is at least 24,00/30 candidates are admitted to the selection process;
- if the average is below 22,00/30 candidates are not admitted to the selection process;
- if the average is between 22,00/30 and 23,99/30 the committee will establish whether the candidate’s competencies are adequate.

In case of a degree different from those awarded according to DM 509/99 or DM 270/2004 or a degree awarded abroad, the Committee will verify if the candidates’ personal competencies match the master’s learning objectives by examining the documents enclosed in the online application and, if necessary, through an oral interview.
3. The evaluation is carried out by allocating points (max. 100) in accordance with the following criteria:
   a. Coherence between the candidate's previous studies and the objectives of the Master's Degree in Environmental Engineering (max. 25 points);
   b. Curriculum (evaluations and results obtained in previous studies, post-graduate courses if any, extra academic activities) and statement of purpose (max. 70 points);
   c. English language certifications proving a higher level than the minimum required for admission or Italian language certifications among those officially recognized (max. 5 points).

In case the documents included in the online application do not allow the Committee to adequately evaluate the application, the candidate might be asked to participate in an interview (in person or via video conference).

4. Candidates awarded a score of 50/100 or more will be considered suitable.

5. In the event that two or more candidates obtain the same score in the ranking list, preference will be given to the youngest.

6. On completing the evaluation process, the admissions committee will place the candidates found suitable on a list in order of classification for admission onto the Master's course. Said list will be published at the webpage Results and pre-enrollment procedures

Art. 5 Admission and enrollment

1. Suitable candidates who have passed the selection procedure will have to pay an Enrollment confirmation fee of €100.00 (one hundred euro) within that will be notified by email to confirm their acceptance of the place. This payment will not be reimbursed in any case.

2. Successful candidates who fail to complete the steps set out in the point above shall be considered as having renounced their place. Candidates who intend to renounce their place for whatever reason are required to notify the committee as soon as possible, by e-mail to master-st@unitn.it
