Art. 1 Public Selection

1. The University of Trento announces a public selection based on qualifications and (if appropriate) interview, in order to select students for admission to the first year of the Master’s Degree Program in Quantitative and Computational Biology (LM-8) for the academic year 2020/2021. Entry is restricted to **45 places**; this figure includes **4 places** reserved for non-EU nationals living abroad. Any places remaining after the non-EU living abroad selection will be awarded to Italian, EU or non-EU living in Italy candidates.

2. The Master’s Degree is an interdisciplinary course and provides teaching in the fields of biotechnologies, biochemistry and pharmacology.

3. The official language of the course is English.

Art. 2 Admission Requirements

1. Applications are accepted to the selection process from:
   a) citizens of non-EU countries living abroad
   b) Italian citizens, citizens of the EU and non-EU citizens living in Italy

   who satisfy the following requirements:

   i. a bachelor’s or higher degree awarded in Italy in:
      - Biotechnologies (L2);
      - Information Engineering (L8)
      - Biology (L13)
      - Food and agroindustry (L26)
      - Chemistry (L27)
      - Pharmaceutical (L29)
      - Physics (L30)
      - Informatics (L31)
      - Mathematics (L35)

   ii. a bachelor’s or higher degree awarded abroad recognized as equivalent by the Selection Committee according to the regulations of the master programme;

   iii. good knowledge of the English language, at least B1 level of the Common European Framework of Reference for Languages attested as follows:

      - English Language qualification awarded from an internationally-recognized entity;
      - or English Language qualification awarded from a certificatory entity or a university institute;

---

1 See [http://www.cla.unitn.it/en/780/certificates-do-you-have-a-certificate](http://www.cla.unitn.it/en/780/certificates-do-you-have-a-certificate)
2 According to art. 46 e 47 of D.P.R. 445/2000, self-certification within the online application is admissible if the certificatory entity or the university assessing the candidate's language level is a public Italian entity.
iii. or declaration emitted from the university where the Bachelor’s or Master’s degree was achieved, proving the degree had been officially taught in English;

iv. or declaring in the on-line application to be a citizen of an English-speaking country;

or declaring in the on-line application to have passed an English Language test, at least B1 level, during the Bachelor’s degree (said language test must be certified in the study plan – see art. 3 comma 5 point c).

iv. undergraduate candidates are also accepted providing that they will obtain their bachelor’s degree:

- **before 30 June 2020** for non-EU citizens living abroad;
- **before 31 October 2020** for Italian, EU-citizens or non-EU citizens living in Italy;

v. Italian citizens, EU citizens or non-EU citizens living in Italy candidates who, by the deadline of the application procedure, will not be able to prove their knowledge of the English Language by the deadline of the call, will have to definitively prove their possession of the language requisite by the matriculation date.

2. At the end of the admission and enrollment process Italian citizens, EU citizens or non-EU citizens living in Italy applicants, who did not graduate as foreseen by the given deadline, may be admitted in case of available positions.

**Art. 3 Application procedures and submission dates**

1. Candidates seeking admission to the selection process must complete the online application form at https://webapps.unitn.it/Apply/en/Web/Home/master according to the following procedures.

2. Submission of applications is divided into two sessions, according to the following deadlines:

   a. **between 21 November 2019 and by 12.00 PM (midday) 20 February 2020** for non-EU citizens living abroad;
   
   b. **between 13 March 2020 and by 12.00 PM (midday) 12 June 2020** for Italian, EU-citizens and non-EU citizens living in Italy;

3. Technical problems in filling out the online application must be immediately communicated by email to master-st@unitn.it. Applications submitted after the application deadline and/or in different ways than those expressed in comma 1 of the present article will not be accepted.

4. To complete the online application correctly, candidates must upload the following documents:

   a. a copy of passport (only pages relating to personal information) or identity card (EU citizens only);
   
   b. copy of bachelor’s degree certificate or registration certificate attesting the expected graduation date;

---

3 Italian students or students enrolled in an Italian University may submit a self-declaration according to art. 46 and 47 of DPR 445/2000.
c. transcript including a list of all courses, exams and marks awarded. The transcript must include: the list of exams for the qualification to be awarded, marks obtained, the weighted average mark and the minimum to maximum range of marks (attach an official translation if this document is not in Italian or English);

d. curriculum vitae in English following the ‘European’ model (see http://europass.cedefop.europa.eu/);

e. English Language qualification, as per art. 2 comma 1 point iii.;

f. statement of purpose - brief personal statement in English in which the candidate supports her/his application.

5. Candidates are required to pay an application fee of €15.00, using one of the methods requested during the online application process, within the given deadline for applications (20 February, 2020 for non-EU citizens living abroad, 24 June, 2020 for Italian, EU-citizens and non-EU citizens living in Italy). Failing to pay the application fee within the given deadline will automatically lead to the exclusion of the applicant.

Art. 4 Selection and ranking

1. The admissions Committee is made up of at least three members chosen from among the teaching staff nominated via Rectoral Decree.

2. The admission Committee will evaluate whether the selection procedures have been correctly observed, and will subsequently evaluate if the admissible candidates fulfil the entry requirements set out in the regulations governing the Master’s Degree course in Quantitative and Computational Biology. The Committee may choose to meet via video conference.

3. The evaluation is carried out by allocating points (max. 100) in accordance with the following criteria:
   a. Coherence between the candidate’s previous studies and the objectives of the Master’s Degree in Quantitative and Computational Biology (max. 40 points);
   b. Curriculum studiorum (max. 40 points);
   c. Statement of purpose (max. 15 points)
   d. further language competences (max 5 points).

   In case the documents included in the online application do not allow the Commission to adequately evaluate the candidature, the candidate might be asked to participate in an interview (in person or via Skype).

4. Candidates awarded a score of 50/100 or more will be considered suitable.

---

4 According to art. 46 e 47 of D.P.R. 445/2000, self-certification within the online application is admissible if the certificatory entity or the university awarding the degree is a public Italian entity. Candidates who obtained their degree or are still enrolled in the University of Trento are not required to attach the required certificate.
5. In the event that two or more candidates obtain the same score in the ranking list, preference will be given to the youngest. In case of same birth date, the candidate who scored a higher mark at letter 3 comma a will be ranked higher, and lastly, in case of tie, letter 3 comma d.

6. The admissions committee will place the candidates found suitable on two separate lists in order of classification for admission onto the Master’s course (one list for non-EU citizens resident abroad and one for Italian, EU citizens and non-EU citizens living in Italy). These lists will be published https://international.unitn.it/mqcb/results-and-pre-enrollment-procedures

Art. 5 Admission and enrolment

1. Suitable candidates who have passed the selection procedure will have pay an Enrollment confirmation fee of €100.00 (one hundred euro) within 7 days from the publication of the shortlist to confirm their acceptance of the place. This payment will not be reimbursed in any case.

2. Successful candidates who fail to complete the steps set out in the point above shall be considered as having renounced their place. Candidates who intend to renounce their place for whatever reason are required to notify the committee as soon as possible, by e-mail to master-st@unitn.it

3. Should any places become available, either as a result of failure to matriculate on the part of successful candidates or for any other reason, these will be awarded to the next suitable candidate in the ranking list.

4. All non-EU citizens living abroad who apply and pay the admission confirmation fee must pre-enroll at the Italian diplomatic office in their own country, before the dates set by regulations concerning admission of foreign students to university courses5. Pre-enrolment is compulsory in order to obtain a visa. All candidates are advised to read the procedures that must be followed at: https://international.unitn.it/incoming/bachelors-masters-degrees-non-eu-outside-italy.

5. Information about how and when to enroll in the Master's Degree in Quantitative and Computational Biology will be available on the website after publication of the ranking list.

Art. 6 Tuition fees non-EU citizens living abroad

1. The maximum tuition fees for non-EU citizens resident abroad is € 10,000 per academic year; further details are available at: http://international.unitn.it/incoming/tuition-fees.

2. For first-year students, the amount of the tuition fees can be reduced on the basis of the application score as follows:

<table>
<thead>
<tr>
<th>Tuition Fees Amount</th>
<th>Application score</th>
</tr>
</thead>
<tbody>
<tr>
<td>€ 1.000</td>
<td>Application score between 70/100 and 89/100</td>
</tr>
<tr>
<td>€ 3.000</td>
<td>Application score between 60/100 and 69/100</td>
</tr>
<tr>
<td>€ 6.500</td>
<td>Application score between 50/100 and 59/100</td>
</tr>
</tbody>
</table>

5 Indicatively published in February at the following link http://www.studiare-in-italia.it/studentistranieri.
3. Candidates with an application score between 90/100 and 100/100 will be exempted from paying tuition fees. Top scored candidates might be entitled to receive a scholarship. Eventual scholarships will be assigned when the short list will be published. Students beneficiaries of scholarship will have the right to the total exemption of tuition fees.

**Art. 7 Tuition Fees for Italian, EU-citizens and non-EU citizens living in Italy**

1. The amount of tuition fees for Italian, EU citizens and non EU-citizens living in Italy is published at the following link: [http://infostudenti.unitn.it/en/ tuition-fees](http://infostudenti.unitn.it/en/ tuition-fees). The amount can be partially or totally according to the economic situation of the student’s family (ISEE).

**Art. 8 Transfer application**

1. A transfer application to the Master’s degree course in Quantitative and Computational Biology can be submitted only in case of positive evaluation by the selection committee.

2. Students can be admitted at the II year only if there are places available and if candidates possess all requisites set out in the Master’s Degree in Quantitative and Computational Biology regulations.

3. Candidates interested in applying for an academic transfer, whether it be from another course within the same University, from another Italian University, or admission to the second year by requesting recognition of activities carried out in a precedent career will have to fill out the form available at the link: [https://infostudenti.unitn.it/en/academic-credits-transfer-evaluation-abbreviazione-di-carriera](https://infostudenti.unitn.it/en/academic-credits-transfer-evaluation-abbreviazione-di-carriera). The form must be submitted within May 12 2020, if candidates need to receive the evaluation result by the application deadline.
